- 14.5. **Stay away** means for the respondent to refrain from both physical presence and nonphysical contact with the petitioner whether direct, indirect (including, but not limited to, telephone calls, mail, email, faxes, and written notes), or through third parties who may or may not know about the order of protection.
15. **Willful deprivation** means willfully denying a person who because of age, health or disability requires medication, medical care, shelter, accessible shelter or services, food, therapeutic device, or other physical assistance, and thereby exposing that person to the risk of physical, mental or emotional harm, except with regard to medical care or treatment when the dependent person has expressed an intent to forgo such medical care or treatment. This paragraph does not create any new affirmative duty to provide support to dependent persons.
